

ENVIRONMENTAL POLICY

SHL PRODUCTION Sp. z o.o.

Respect, protection and improvement of the environmental impact is one of the primary goals of our business.

We are committed to conducting activities in accordance with the law and the requirements of environmental protection, pollution control and continuous improvement in this area.

Our goals are pursued by:

- Reducing emissions of harmful substances into the environment.
- Reduction of noise emissions.
- Prevention of environmental emergencies.
- Rational management of water, materials, waste and energy.
- Raising environmental awareness of staff.
- Continuous improvement of the Environmental Management System.

Environmental Policy SHL PRODUCTION Sp. o.o is publicly available to all interested parties.
